« We were all greatly delighted by this day. Everything went perfectly. The combination was perfect and managed to satisfy all profiles of my team. About the meal, I had excellent feedback so you can congratulate the Chef. The meat pieces were excellent and very well cooked. The quantities were gargantuan. Your teams were kind and available throughout the meal. The yooner was enjoyed a lot and I must say that we had a good laugh. Several people wanted to do another descent but we had a bus leaving for Geneva. Personally, I wanted to thank you for the follow-up during these few weeks. We had a lot of changes and you were full of suggestions and always found solutions. The plateau is a beautiful place and we had one of the most beautiful events. So thank you! It was perfect. »
