"We had an exceptional day and evening. The execution at 1647 was perfect, the ceremony was magnificent with this beautiful weather and this exceptional setting. The appetizer was very rich and very good. The fondue was a hit (everyone found the idea great and unusual), the meal was delicious, the staff very pleasant. All was great thank you."

## DOMINIQUE, AURÉLIEN'S MOM - AUGUST 27, 2022

"We cannot begin to thank you for organizing such an incredible evening for us last week. The vendors you found, from the florist to the string trio, were truly incredible and we're so grateful for all the effort you put into designing such a wonderful, smooth event. Every one of our guests commented on the incredible flowers and design - it was even more beautiful than what we could have hoped for. We also really loved the string trio and all the songs they selected - it was perfect! As always, the food was amazing and your staff was so kind and accommodating to everyone. We also loved the DJ :) He did a great job responding to people's requests. Thank you for being so patient and flexible in the lead-up to the wedding and during the evening. We truly cannot say enough nice things about the event, venue and organization - thank you so much!"
